

Lions Camp Merrick

Making Memories That Last A Lifetime!

OUR MISSION: *"To promote the education, creative expression and social growth of special needs youth. Lions Camp Merrick fosters friendships between children facing similar challenges and provides the community and Lions with opportunities for service, philanthropy and leadership."*

shITS Under Control

After nearly ten years the long awaited septic system project is coming to fruition. After years of designing, permit approvals, funding requests, contract negotiations and a lot of hard work by Lions, The Waldorf Foundation and camp staff the septic system is in use and the final work is being done. The new system will meet the current and future needs of the camp as we grow over the years.

Rustic Rehab

Our three rustic cabins sponsored by Sandy Spring, Gateway and Montgomery / Derwood are getting a makeover. What could 32 more bed spaces mean to Lions Camp Merrick if these cabins had heat, air, windows and insulation. More space for campers, additional programs, increase rental opportunities and restoring cabins that are deteriorating. Please consider making a donation to the rustic building fund to help us have these cabins in use by next summer!
