United Way Day of Caring

In September employees from the Charles County Sheriff's Office and the Facchina Corporation will be helping out at Camp. About 25 volunteers will come out and help with painting, landscaping and camp clean up. The United Way hosts this annual event where local companies lend a hand to nonprofit organizations. We look forward to a very productive day!

Work Weekend November 20, 2015

November is time for us to close camp and get cleaned up after a busy spring, summer and fall. There are many projects that need to be done from raking to turning off water to cabins not being used. A complete list of projects will be mailed to all Lions Clubs and posted on our website by mid-September. Please feel free to contact us if you do not get a copy or need it sooner.

Outreach Coordinator Needed!

LCM is looking for an Outreach Coordinator who will support our efforts to expand and improve programs, connect with Lions Clubs and local organizations, reach out to groups to support camp. Please contact our office if you would like more information in regards to this position. This is a perfect job for a Lion ready to roar and support camp!
