Making Memories That Last A Lifetime!

OUR MISSION: *"To promote the education, creative expression and social growth of special needs youth. Lions Camp Merrick fosters friendships between children facing similar challenges and provides the community and Lions with opportunities for service, philanthropy and leadership."*

Lions Helping at Camp

Twice a year we reach out to Lions for their presence and helping hands at camp. In the Fall we are raking leaves, cleaning out gutters, winterizing cabins, making repairs, and closing down for the winter. Our Thanks go out to all clubs and Lions who joined in to help this year. We want to Thank Waldorf, Lexington Park, Silver Hill, Olney, Leonardtown, and Beltsville Club as well as all Lions who attended. A special Thanks to Chuck Patterson for taking the lead in winterizing the cabins! I hope we did not miss anyone who helped out.

Camp Projects & Improvements

CLIMBING WALL & HIGH ROPES COURSE - We are moving forward to make the new climbing wall and high ropes course a reality.

We have signed the contract for work to begin and we plan to be using this new course in summer 2016

RUSTIC CABIN RENOVATION is still in the plans for summer 2016. The matching Funds drive has provided \$6,100 to-date and we Thank ALL the Lions who have contributed and those who will!
