WEEKEND FOR VETERANS AND THEIR FAMILY AT LCM

This August the American Veteran Riders of Waldorf and LCM will work together to host a Veteran family program at camp. We are very excited to be part of this program and to share our beautiful facility with these brave soldiers who fought for our country. We will be providing many fun activities from the swimming pool, fishing, and climbing wall. Many local organizations are joining in to help out providing meals and assistance with supporting these families. We look forward to continue this program each year!

SCOUTS HONOR

There is no question when these scouts come to LCM they are learning new skills and helping improve their community. The scouting program has a positive impact on our youth by teaching them to help others, to do your best, and to be true to god and our country. LCM will host several scout troops and each year some rent our facility others are here to assist our us by doing work around our facility. We see the tremendous amount of work that is possible thru these young men and positive adult mentors. This weekend they helped out by opening the pool, clearing trails, cleaning up fire circles, cleaning up program areas, cleaning cabins, and building steps. Thanks to all scouts for their efforts and hard work!
