Making Memories That Last A Lifetime!

Staff Bring in the New Year at Camp

Camp is a special place for our staff and campers. During the summer, Camp is a place for fun, challenges and support from others facing the same challenges. During the winter, Staff have made it a tradition to ring in the new year at camp where they gather to eat, laugh and talk about life. They appreciate the Lions community and the camp friends who come together to support camp, so others get to experience the benefits LCM has to offer.
